

Corrigendum to: Treatment of Nontuberculous Mycobacterial Pulmonary Disease: An Official ATS/ERS/ESCMID/IDSA Clinical Practice Guideline

The following errors appeared in the article [Daley CL, Iaccarino JM, Lange C, et al. Treatment of Nontuberculous Mycobacterial Pulmonary Disease: An Official ATS/ERS/ESCMID/IDSA Clinical Practice Guideline: Executive Summary. *Clin Infect Dis* 2020. <https://doi.org/10.1093/cid/ciaa241>]. This guideline was erroneously published with the term “Executive Summary” in its title, which has been

removed. The suffix ‘Jr’ was also incorrectly listed as part of the author Jonathan M. Iaccarino’s name in the byline and has been reassigned to Richard J. Wallace. The article is a joint publication between *Clinical Infectious Diseases* and the *European Respiratory Journal*, and was corrected before appearing in ERJ.

The publisher regrets these errors.
